### Keynote II: Arbeitswelt 4.0 – New York am Beispiel eines Chemie Unternehmens

---

#### Vita:

Dirk Ramhorst, CDO/CIO Senior Vice President, Wacker Chemie AG und Sprecher der ZD.B Themenplattform Arbeit 4.0

Dirk Ramhorst, born in Bielefeld, has a degree in software engineering as well as in business administration and economics from the University of Kiel, Germany. He worked for 20 years in different positions at BASF and Siemens. In 2013, he was named the first Chief Digital Officer (CDO) in the German DAX (top 30 public-listed companies). In September 2016, he joined WACKER as CDO and CIO, heading the IT department since.

In addition Dirk is the chairman of the Kieler Woche - the World Largest Sailing Event.
